

2018 International Conference on Computing and Network Communications, August 15-17, 2018, Astana, Kazakhstan
<http://coconet-conference.org/2018/>

Organizing Committees

Patrons
 Shigeo Katsu,
Nazarbayev University, Kazakhstan
 Ilesanmi Adesida,
Nazarbayev University, Kazakhstan

Honorary General Chairs
 Mohamed-Slim Alouini,
King Abdullah University of Science and Technology (KAUST), Saudi Arabia
 Leon Chua,
University of California, Berkeley, USA

General Chairs
 Alex James,
Nazarbayev University, Kazakhstan
 Neeli Rashmi Prasad,
Center for TeleInFrastructure (CTIF) and International Technological University (ITU), USA

Steering Committee Chairs
 Sabu M Thampi,
IITM-Kerala, India
 Jinsong Wu,
Universidad de Chile, Chile
 Mohammed Atiquzzaman,
University of Oklahoma, USA

Program Chairs
 Theodoros Tsiftsis,
Nazarbayev University, Kazakhstan
 Joel Rodrigues,
National Institute of Telecommunications (Inatel), Brazil; Instituto de Telecomunicações, Portugal
 Pascal Lorenz,
University of Haute Alsace, France

Workshop and Symposium Chairs
 Prashant Jamwal,
Nazarbayev University, Kazakhstan
 Muhammad Tahir Akhtar,
Nazarbayev University, Kazakhstan
 Mohammad Hashmi,
Nazarbayev University, Kazakhstan

Industry Track Chairs
 Mehdi Bagheri,
Nazarbayev University, Kazakhstan

Advisory Committee
 Mohammad Obaidat,
Nazarbayev University, Kazakhstan
 Toan Phung,
University of New South Wales, Australia
 Jaime Lloret Mauri,
Polytechnic University of Valencia, Spain
 Sartaj Sahni,
University of Florida, USA
 Albert Y. Zomaya,
University of Sydney, Australia
 Jemal H. Abawajy,
Deakin University, Australia

Call for Special Session Proposals

The Second International Conference on Computing and Network Communications (CoCoNet'18) will be held on August 15-17, 2018 in Astana, Kazakhstan. Astana is the capital and the second largest city in Kazakhstan which exhibits modern futuristic architecture and has some of the world's largest building projects, museums, amusement parks, and a beautiful lake. The conference is hosted by the Nazarbayev University, a rapidly developing tier-1 research university located in the heart of Eurasia in Astana.

The objective of CoCoNet'18 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research and developmental activities in the field of Computing and Network Communications.

The Organizing Committee CoCoNet'18 invites proposals for Special Sessions to be held during the conference, August 15-17, 2018. The organizing committee seeks proposals on emerging subjects in the area of Computing and Network Communications (a full list of topics is available at the conference website). Please send your proposal to coconet2018.proposals@gmail.com.

The proposal should provide the following information

1. Proposed Special Session Title
2. Session Organizer(s) (Name, Affiliation, Email, Phone)
3. Title & Abstract of Invited Talk by Session Organizer(s)
4. Session Abstract
5. List of the proposed authors for the special session (Name, Affiliation, Paper Title, Email, Phone, and Brief Summary)

The special session organizers are encouraged to give an (extended-length) invited talk at the beginning of the session. The proposals for special session will be evaluated on the basis of relevance and significance to current research trends in the Computing and Network Communications.

All special session papers (including the invited talk by the Session Organizer) are submitted via conference submission link (<https://edas.info/N24469>), and go through a regular review process of the conference

IMPORTANT DATES:

- Initial Proposal Due: **March 21, 2018**
- Proposal Submission Due: **March 28, 2018**
- Notifications to Proposers: **March 31, 2018**
- Full Paper Due: **April 20, 2018**
- Notification of Acceptance: **May 30, 2018**
- Final Version Due: **June 30, 2018**

CoCoNet'18 is technically sponsored by IEEE and IEEE Communications Society, and IEEE Kazakhstan Subsection.

All accepted & presented papers will be published on IEEE Xplore.
